**Risk Manager Rev.:** BeWanda Alexander

**Products:** F6129 EW Insecticide

**EPA Reg. #:** 279-9534

**A.I.'s:** Bifenthrin (0.05%), Zeta-Cypermethrin (0.0125%)

**Decision #s:** 451365

**DP #s:** 393368

**Submission:** 570, Conditional Registration Follow-up, RD Science Review

**MRIDs:** Cited: 44891905, 46431205, 47385708, 44891902, 45773901

**GLP:** No

### **Overall Review of Label Claims and Directions:**

Based upon cited efficacy data, kill claims are supported against the listed pests scorpions, cockroaches and fleas. Please note that the cited data DO NOT support outdoor residual control claims against these pests, as the studies were conducted indoors. Outdoor residual claims against these listed pests must be removed from the label; however, outdoor kills claims are acceptable.
